

OLIVETTI LETTERA 82

YOUR TYPING FRIEND

Compact though it is, it holds all your typing pleasure wherever you are. It is the best machine at its job - of course, it's an Olivetti. Light and easy to handle with its robust plastic carrying case, it takes up the minimum of space in the home. And, what is just as important in the home, it is an object of beauty: it comes in a choice of three attractive colours.
